## Children's Author and Educator

### School Visit Information

As a former elementary classroom teacher and library media specialist, I love talking to children about reading, writing, and my journey as a writer.

A school visit with me would include:

*Two/Three 45-Minute Presentations & Book Signing - \$800*

- *The importance of reading*
- *The writing process*
- *The publication process*
- *Read aloud of Finn Finds a Friend*
- *Grades 3-5 would also include discussion on conducting research*

*My presentations work best in an auditorium, gym, cafeteria, or other large space with access to a screen or SmartBoard for my PowerPoint.*

*I will provide a flyer for children to order books ahead of time.*
